

Please read this information carefully before proceeding to the online submission form.

IMPORTANT DATES

Submission deadline: 15 November 2021, 23:59 (CET)
Abstract review: December 2021

Abstracts received after the deadline will not be accepted!

GENERAL

1. Please prepare your abstract in an extra e. g. Word-file before moving on to the online system.
2. Abstracts can only be submitted online via the online abstract submission form.
3. Abstracts must be submitted in English.
4. Abstracts sent by post or email will not be accepted. No exceptions will be made.

DEFINITIONS

Submitting author: Person who submits the abstract.
Presenting author: Person who will physically present the abstract at the congress and who is marked as the presenter in the programme.
Corresponding author: Person who will be included in all communications on the abstract.

PUBLICATION POLICY

We plan to publish all accepted abstracts (oral or ePoster) in a digital format. All abstracts accepted for a presentation at EuPA 2022 will be included in the online programme.

TOPICS

- Single cell proteomics
- Structural proteomics and protein complexes
- Systems biology and medicine
- Subcellular and spatial proteomics
- Computational proteomics and big data | Modelling
- Proteomics in cell biology
- Proteomics meets virology – Viral proteomics | Viral infection proteomics
- Precision medicine in wellness and disease | Deep proteomic phenotyping in cohorts
- Top-down proteomics
- Plant and nutrition
- Animal and veterinary medicine
- Metaproteomics and the microbiome
- Human disease: Cancer, neuro, cardio, rare, immunology
- Pharmacoproteomics, chemical proteomics
- Glycoproteomics
- Bioinformatics | Data processing
- Signalling proteomics | PTMs
- Clinical applications
- Microbial pathogens and host-pathogen-interactions
- Emerging technologies
- Native mass spectrometry
- Imaging meets mass spectrometry & cytometry
- Immunoproteomics

RULES

Failure to observe these guidelines may result in your abstract not being accepted.

1	An abstract can be submitted to the EuPA 2022 if it has been presented or published previously however this must be stated during submission.
2	The correct topic must be selected to ensure correct scoring. The content of the abstract must be topic related. The scientific committee reserve the right to re-categorise an abstract.
3	Abstracts must contain data and meet international ethical standards.
4	Abbreviations should be defined at first mention.
5	Trade names cannot be mentioned in the title. However, trade names in brackets will be accepted in the body of the text.
6	An abstract cannot be accepted, if the “conflict of interest disclosure” has not been completed. If the presenter or one of the co-authors has a conflict of interest, this must be clearly stated.
7	The abstract cannot contain more than 3,000 characters (approx. 500 words) – This count includes only the abstract itself (including blank spaces and punctuation) – not data of authors and any attachments.
8	Attachments can be added to your abstract (max. of 2, colour or grey gradient, print quality).
9	The abstract must be structured into the following sections: Objective; Methods; Results; Conclusion
10	Once the abstract is submitted, it can be re-edited and modified until the submission deadline (15 November 2021, 23:59 CET). The submitting author will be required to create a user account. In order to log back into the portal, please make a note of the username and password created during the process.
11	If you have successfully submitted your abstract, you will receive a confirmation number. If no confirmation number is received, the abstract cannot be considered as successfully submitted and accepted.
12	If you leave the system without saving the abstract all data is lost. The submitted/draft abstracts cannot be edited after the submission deadline (15 November 2021, 23:59 CET).
13	Please ensure that your abstract does not contain spelling, grammatical or scientific errors. No corrections are possible after the submission deadline. The abstract will be reproduced exactly as submitted. No proof reading will be completed.
14	The abstract must be submitted in English.

AFTER THE SUBMISSION

1. The reviewers will judge the abstracts according to the relevance to EUPA 2022. They will assess the standard of English, objectivity of statements, description of the work, suitability of methods to aims, conclusions confirmed by objective results, ethics, scientific value, potential clinical value, originality of work and overall impression.
2. The submitting, presenting and corresponding authors will be notified by the end of January 2022 whether the abstract has been accepted. Notifications will be sent via email to the email address provided during submission. It is the authors' responsibility to ensure that emails from EUPA 2022 can reach them. Within the notification authors will be informed of the date, time and form of their presentation.
3. The presenting author must be a registered participant. Please note that the presenting author is not automatically registered by submitting an abstract. Regular registration is obligatory and binding and implies payment of the registration fee. For registration, please click [here](#).

PRESENTATION OF ABSTRACTS

1. Abstracts can be accepted either as poster or oral presentations.
2. If your abstract is accepted as poster, you will be requested to be available for discussion during the corresponding moderated poster viewing session.
3. Oral presentations will be given further information on length of lecture and presentation details closer to the meeting.
4. Full presentation guidelines will be sent after the final allocation of abstracts to the programme.
